Fundraising for:

Floodlights & Junior American Trip

Floodlights - Nearly there!

Kilmarnock Tennis Club is pleased to announce that after 3 years of determination and hard work they have been successful in securing Local Authority/Governing Body funding to install Floodlights on two courts at the club. Not only will these enhance facilities for current members but it is hoped to be able to extend our successful coaching program to include afterschool activities and increase membership also. However, although funding has been obtained for 2 courts an additional sum would allow all four courts to be floodlit. To this end KTC will be undertaking a number of fundraising activities and seeking sponsorship to top up the fund. Should you be interested in helping in this plight please do speak to any of the committee members or contact us on www.kilmarnocktennisclub.com

KTC Floodlight Fund currently sits at £25K. We need a further £10K? to complete all courts - can you help us reach the target please???

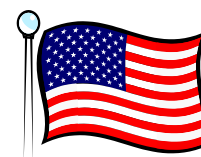

A Very Big Thank You – to Iain MacLean of Waterpoint for donating and installing a superb water fountain. This has proved very popular with members.

****Details of Sponsorship Opportunities Now Available – please ask committee for info**

SUMMER PROGRAM:

We will once again this year be running our successful Summer Program. Please look out for details in the clubhouse/schools brochures, check the website for information or just ask one of our friendly coaches/committee members

The American Connection

Some of you may be aware that we have had the pleasure and benefits of our visiting American Coach Kirsty Marx the past 3 years. Kirsty, an ex profession player and USPTR (United States Professional Tennis Registered Coach) visits entirely voluntarily and without charge. Unfortunately she cannot visit this year but has extended an invite to our junior members to visit North Carolina in October 2011 for a full week's intensive training under her mentorship. Seven of our older juniors have signed up for this trip which hopefully will become a regular event. In order to subsidise this visit KTC is running an 'alternative' Racenight in the Broomhill Hotel on Friday 1 July. Tickets are £6/hd and all donations/raffles will go towards this trip. Come along, join the fun and support this chance for our juniors to experience not only quality coaching but also a different culture!
