## The American Trip

Only 32 more sleeps till our junior members visit North Carolina in October 2011 for a full week's intensive training under Kirsty Marx's mentorship. Seven of our older juniors have signed up for this trip which hopefully will become a regular event. In order to subsidise this visit the boys have been involved in running several fundraising activities including a Racenight, Sponsored Hit, selling Team cards, gathering clothes for Clothes 4 Cash and a hugely successful bag-pack in Wilkinsons and Morrison's supermarket, the latter netting them a fantastic £750!

**KTC have reserved several Pitches at Morrison's 'Carboot sale' on Sunday 25 Sept. Anyone interested in raising funds for this trip via this sale please contact Helen on 07890 567966 to secure a place.**

\*\*\*\*A very big Thank You to all those who have supported this trip so far\*\*\*\*

## Floodlights - We're there!

Kilmarnock Tennis Club is pleased to announce that after 3 years of determination and hard work they have been successful in securing the necessary funding to install Floodlights on ALL FOUR of our club courts. Not only will these enhance facilities for current members but will enable the extension our successful coaching program to include afterschool activities and increase membership. Work, due to commence on Friday 1st September should be completed within 10 days (weather dependant). Installation may result in restricted usage in the short term but will greatly increase availability in the long term. Details of hire charges will be made available soon.

**KTC Floodlight Fund currently sits at £25K. We need a further £10K? to complete all courts - can you help us reach it?**

Look out for details of the official opening!

**Welcome to David Knox, Level 3 Coach** who will be heading up our new Coaching programme. Please check website or notice boards for details

**HELP!** - As the success of KTC continues to grow so too does the list of jobs to be done! The existing small 'Volunteer' committee has undertaken many tasks but urgently requires more volunteers to assist with the running of 'your' club. Please do let us know if you are able to offer any time, however little, to keep 'your' club growing and provide the activities you would like to see. Speak to any of the Committee Members for further information or to
